YMCA's DIABETES PREVENTION PROGRAM

Diabetes is a serious health condition that can lead to heart disease, stroke, kidney failure, high blood pressure, and blindness. If you have been diagnosed with pre-diabetes, or believe you may be at risk for developing the disease, the YMCA's Diabetes Prevention program can help you develop a healthier lifestyle and work with you to reduce the risks this condition can pose to your health. Through the program you will receive support and encouragement from both a trained lifestyle coach and fellow classmates as you develop a plan for improving and maintaining your overall well-being. For more information contact Heather Wright at 740-725-9622 or hwright@marionfamilyymca.org.
