

CAPITAL CAMPAIGN UPDATE AS OF JULY 2016

Thank you to our many donors and volunteers for raising \$1,940,752! We are close to our goal of \$2,000,000. Even before reaching goal, gifts are having an impact. In 2016, we

- paid \$100,000 extra on principal and refinanced our debt;
- launched Y Diabetes Prevention Program helping individuals improve their well-being;
- expanded Y Preschool to include an afternoon session for children in their year just prior to kindergarten;
- replaced worn carpet in the Wellness Center with athletic flooring;
- replaced the overhead lights in the 8 lane pool with energy efficient LED lights;
- ordered new equipment for the Wellness Center with an emphasis on strength training equipment for individuals with limited mobility; and
- replaced worn equipment with attractive and durable soft play equipment in our Kids Gym.
- More facility improvement and program expansion to come in 2017!
