FACILITY IMPROVEMENT UPDATE! OUTDOOR PATH WORK NEARING COMPLETION.

Park Enterprise Construction is making great progress on the .5 mile crushed gravel outdoor path.

We anticipate the path to be completed by early August. Until then, **the sport fields are closed for all use.**

Our "WE'RE HERE FOR GOOD" Capital Campaign raised \$2,008,000 towards our goal of \$2 million. The majority of funds will be used to reduce the remaining \$5.4 million debt on our building. Approximately \$470,000 will be used for facility improvement. We've already added a restroom on the 2nd floor, replaced the 8 lane pool lights, replaced flooring in Wellness Center, upgraded our Kids Gym, and added fitness equipment. If you'd like to make a contribution to these capital efforts, please contact [Theresa Lubke](#).

Word from Theresa

Welcome to the two newest members of our staff leadership team. Kaylee Kiogima joins us as Program Director focusing on youth and families. Kaylee has a bachelor's degree in exercise science from Hope College in Michigan. Kaylee has extensive experience developing the potential of youth through her years as a camp counselor at YMCA residential camp serving inner-city and suburban Chicago youth. She also brings experience in facility management, program planning and exercise prescription. Kaylee is providing leadership to our youth programs including sports, mentoring, preschool, summer camps and School Days Out. She's also developing more programs for families and adult sport opportunities.

Working with Kaylee on sports and mentoring is Ben Burkhardt. Ben has been working in our Wellness Center since last fall, and was recently promoted to Program Manager for Sports & Mentoring. Ben has a bachelor's degree in exercise science from the University of Findlay. He has a passion for sports and helping every young person reach his / her full potential.

I'm excited about the future and our work in youth development. Kaylee and Ben are going to provide enthusiastic, creative and consistent leadership to our youth, family and sport program departments.

As we welcome two new team members, we are also saying good-bye to Cindy Rosa, our Associate Executive Director. Cindy is returning to her home state of Minnesota where she will be closer to extended family. Thank you Cindy your two years of service to our Y and for your many years of Y service in Ohio and Minnesota.
