BECAUSE OF YOU, THE DUTTONS ARE GETTING HEALTHIER

So many people are not aware of all that the Y has to offer. The Y has helped the Duttons in so many ways. Mrs. Dutton said her children are watching her when she is coming to the Y so she feel challenged to step it up. Her daughter has benefited from joining Swim Team and learning how to be a leader. Her son has been in the soccer program and learning new skills and becoming stronger and Mr. Dutton is walking on the track.

The Duttons are thankful for the financial assistance they receive because without it, they would not be able to join the Y.

Your gift to the Y's Annual Campaign makes this possible. Give today by visiting marionymca.org/donate or calling 740-725-9622. Thank you.

lessons, swim team and Martial Arts all provide kids with a sense of achievement and help to build self-confidence. Many programs, including youth sports and day camp, also create a sense of belonging and provide positive adult role models.

Late last year we introduced Monday evening Youth Supervised Gym. This time gives kids ages 7 through 10 an opportunity to be physically active under the supervision of a Y staff member while their parents exercise. Parents are welcome to join in the fun, providing fun family time. School Days Out provides a low cost all-day program for elementary school children on school vacation days. This gives parents peace of mind and children a positive way to spend their day.

Developing the potential of youth and supporting families requires a commitment to make Y programs and services available to all families, regardless of ability to pay fees. Our Annual Campaign ensures youth and families who need us the most have opportunities at the Y to learn, grow and thrive. Thank you to all of our Annual Campaign volunteers and donors.

Thank you for being a member of the Marion Family YMCA.
